

JOIN US FOR A DOWNTOWN WALKING TOUR

Embracing Change Together

Change begins with those who are passionate about our community. We invite you to join Revitalize Reidsville for a walk to discover the challenges, opportunities, and ways you can contribute to enhancing our neighborhood.

There are many positive developments happening in Reidsville, driven by individuals like you who are stepping up and getting engaged. Come along as we guide a tour through downtown, discussing vacant building spaces, ongoing plans, public mural projects, and renovation programs.

APRIL 26: 2-4PM
